## **AKERS ELLIS REAL ESTATE & RENTALS**

Akers Ellis Real Estate & Rentals offers a level of local knowledge and dedication that is unmatched when it comes to real estate and vacation rentals. Our real estate and rental teams are led by individuals with years of hospitality, resort, and property management experience, including former high ranking executives at Kiawah Island Golf Resort and Wild Dunes Resort. We focus on vacation rentals on both Kiawah Island and Seabrook Island and provide real estate services to the communities south of the Charleston Peninsula including Folly Beach, James Island, Johns Island, Kiawah Island, Seabrook Island, Wadmalaw Island, and West Ashley.

By focusing on highly personalized owner and guest service, we provide a real estate and vacation experience that is simply better than the ones offered by a larger provider. And most importantly, our loyalty lies to our clients and not a single development, developer, or resort owner.

Founded in 2007, our goal has not been to become a large company but rather a great company that delivers better results to our customers than our competitors. As a result, Akers Ellis Real Estate & Rentals has attracted employees, managers, and agents that are highly professional and sophisticated and share our dedication of providing the highest level of service possible.

We are also committed to helping and serving in the communities in which we live and work. In addition to a host of ongoing charitable donations and volunteer work, Akers Ellis team members have served in various roles in our community including: Johns Island Fire Commissioner, Pastor of Calvary of the Sea Islands, President of the Kiawah Seabrook Island Exchange Club, Seabrook Island Architectural Review Committee member, and various Kiawah homeowner association boards.
